

**JUNE 2025**

**Summer is Coming and Things are Heating Up All the Way Around!**

It is always exciting to have new events and confirm dates for those activities that members look forward to and are important to our Club.

In 2023 the Region committed to the Northern Arizona Veterans Care Center for our annual fund raising focus and having a day each year to support the Vets that utilize their facility. We are thrilled to announce our third year of this event will take place November 8th. Our thanks to members Lorraine Friedman and Keith Guidus for their efforts developing the program into a key event. The links for donating, supporting lunch sponsorships, registering to provide rides to Vets and to volunteer will be available soon. Once we have them, we will send out an email blast and get the ball rolling!

Be sure to look through the listed events below for the additions we have recently made including seeing the new F1 movie, a special Wine Tasting event and a Red Rock Picnic. Some of the information for these events is currently TBD, but we want you to know now so you can save the dates on your calendar.

As this Newsletter is distributed, a very dedicated set of members are operating the Region's third annual Autocross. Next month we will do a feature highlighting these amazing volunteers' work over the past several months to make autocross possible for the AZM Region including help from the Arizona Region. Stay tuned.

A couple of things to check out when you are on the Region's website. There is a new "AZMers and the Cars" feature on members, Robin and Dee Grenko [HERE](#). You can see previous features too in the archive. The recent drives, lunches and dinners have some photos uploaded as well. See them via the Gallery [HERE](#) and you can download photos you would like to have.

Porsche Parade in Oklahoma City is coming up so the PCA 70th Anniversary section includes some photos of that first installment. My have things have changed!

Your input and comments are always welcome. Reach out to me or any of the leadership team anytime.

Cheers,

*E.C. Mueller*

## REMINDER ABOUT MINORS AT DRIVING EVENTS

For ALL Club events held in the Region covered by PCA insurance requiring waivers, persons under 18 years of age **MUST** complete a special minors waiver appropriate for their type of participation in the event. **AND**, this waiver requires at least one parent's signature and sometimes **BOTH** depending on the type of event and the minor's participation.

PLEASE contact the person shown as the contact for the event on the AZM Region's website **PRIOR** to the event to be sure the minor is properly approved with Parent signatures on the correct forms and the waiver gets signed. Thank you.

### **PCA TEST DRIVE PROGRAM**

Do you know someone who is not a PCA member but is thinking about or actively looking to purchase a Porsche? The PCA Test Drive program provides a one-year subscription to Porsche Panorama, the club's national monthly magazine, and a temporary account to log on to the PCA.org website. The temporary website account also gives on-line access to hundreds of Porsches for sale by PCA members in The Mart, which is featured in every issue of Panorama. The one year term is \$56.00 and once a car is obtained, the fee is converted to a membership.

Have the candidate go to this URL: <https://www.pca.org/pca-test-drive>

Thank you!
