**Giving Back to our Veterans**

The Arizona Mountain Region is thrilled to launch its third year of supporting the Northern Arizona Veterans Care Center in Prescott via a giving campaign. Donations can now be made [HERE](#). These funds go directly to the Vets via Costco gift cards and for lunch sponsorships at the event on November 8th. When you donate please consider also registering to provide rides to the Vets and to volunteer at the event. Please state you can participate within the "note to seller" section of check out that you are willing to participate in the "drive alongs".

A promotional poster for the AZM Event 2025. The background is dark. On the left, a large American flag is partially visible. At the top center is the circular logo for the Arizona Mountain Region Forensic Club of America. To the right of the logo are three white stars. The text is centered and reads: "HELP US HONOR OUR VETERANS ONCE AGAIN" in large white letters, followed by "SAVE THE DATE for the AZM EVENT 2025" in smaller white letters, then "Saturday November 8th" in large white letters, then "Northern AZ VA Center" in smaller white letters, then "We need DONATIONS and DRIVERS!" in red letters, and finally "Mark your calendars and stay tuned for more details as they unfold!" in white letters at the bottom.

This giving event is at the core of what PCA is all about as in the National Bylaws it states a purpose of the club is to promote the enjoyment and sharing of goodwill and fellowship engendered by owning a Porsche. Year one together as a Region we raised \$4,000, year two was over \$6,000. Let's all pull together and break that record this year!

The Activities Committee has been working hard to bring members an eclectic assortment of activities over the next several months. See the highlighted list below and be sure to mark your calendars and register for these terrific events with fellow members. Some of these events have minimum numbers needed and deadlines. Please register as soon as you are able.

Porsche Parade is coming up in just a few days in Oklahoma City July 6-12. We have a few AZM Region members attending and we look forward to hearing about their experiences when they return and what special features are on hand as PCA prepares for its 70th Anniversary in September.

I look forward to seeing those of you able to join the viewing of the F1 movie on July 2nd and at the events coming up this summer! A reminder that your input and comments are always welcome. Reach out to me or any of the leadership team anytime.

Cheers,

*E.C. Mueller*

### PCA is turning 70 Years Old!

On September 13 PCA is turning 70. This will be the theme of this year's AZM Region New Member Picnic.

Did you know?

- Panorama is the official magazine of PCA and members look forward to its arrival every month in mailboxes. The artistic abilities of first PCA President, Bill Sholar we exercised for the illustration below.

The first issue of *Panorama* was published in December, 1955 only two months after PCA received its charter. R. Gamble Mann was the first editor. The size was chosen to fit into a 356 glovebox. That didn't change until 2013.

As the first PCA President and a commercial artist, Bill's first article for Pano indicated that now that PCA had been "born" he was turning that baby over to the membership.

## RECRUITING NEW MEMBERS

Here's a tip how you can be ready to recruit a new member when meeting someone that owns or is thinking of purchasing a Porsche and is not a PCA member. In your iPhone Notes or in your Android Google Keep, store this link, <https://www.pca.org/join-pca>. This way you can quickly text or share with them direct access to becoming a PCA member. And, be sure to give them the AZM Region's website address too at <https://azm.pca.org/>.

Thank you!
