

**FEBRUARY 2026**

### **REVVING UP WEEKDAY CASUAL GET TOGETHERS**

On January 27th the Region held its first weekday casual "Happy Hour" event at the Prescott Resort and Country Club. This is a new idea developed by the Activities Committee and was a great success as approximately 16 members got together for conversation, beverages and delicious food while sharing their Porsche stories. Check out the calendar highlights below and the [calendar](#) on the website as more of these events are scheduled and join your fellow Porsche enthusiasts.

The new year got off to a great start with the "Winter in Wickenburg" drive. A favorite event, snow had forced postponement the past couple years into February. This year however everything went to schedule in brilliant sunshine on a crisp day. You can check out photos on the website in the Gallery (and most major events during the year). Just click [HERE](#).

At the end of January, I attended the in person Zone 8 President's Meeting in Southern California. 15 of the 16 Regions were represented as new Zone 8 representative, Victoria Gabourel, led the day. Former PCA National President Tom Gorsuch was a guest presenter and provided interesting information about PCA membership demonstrating the growth and strength of PCA. The world's largest car club is on solid footing.

### **2025 PCA Year End Statistics**

- Primary Members: 111,451
- Family and Associate Members: 57,330
- New Members: 16,337

- Net primary member growth: 4.33% 2025 vs 1.88% in 2024

One last comment is regarding Porsche Parade. Phase I of registration is now open for Parade 2026 in Lake Placid New York June 14-20. Check it out [HERE](#). Also save the dates of July 11-17, 2027 when Parade is scheduled for Boise, Idaho. More information will be coming later this year about Zone 8 and AZM Region's plans for those interested in attending Boise in 2027.

Cheers,

*E.C. Mueller*

### **ARE YOU ENROLLED IN AUTO RENEW?:**

Beginning in August 2025, PCA National began offering auto renewal for your PCA membership. This implementation has significantly improved renewal rates and reduced

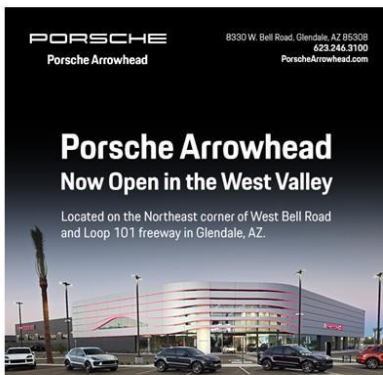

the amount of effort to have expiring members renew their memberships. You can opt in to auto renew via the PCA website.

- Go to the PCA National website at [pca.org](http://pca.org).
- Select Membership at the top of the page and then "My PCA Account" from the drop down menu that appears when mousing over Membership.
- At this point, you will need to log in (or register if you don't have an account yet). Note this is also where you can update your profile information including address, co-member, vehicles, email, mailing address etc.
- In the column on the left side, scroll down to Manage Billings under My Settings. Once selected, you can check the auto renewal box and add your credit card information. Your PCA membership will be renewed automatically.

Thank you!
